NEW SPRING

DRESS GOODS

Our Line of Beautiful

NEW SPRING DRESS FABRICS

Is Now Ready For Your Inspection.

We well anticipated the demand fashion would create for light weight materials suitable for

Shirt Waist Suits

It was only a prediction, but now it is an established fact that SHIRTTWAIST SUITS will be the most popular for spring wear, and that MOHAIRS AND SICILIANS, which are so well adapted for this purpose, will be more extensively used than ever before in their history.

We were fortunate in making heavy purchases in Mohairs and Sicilians in all plain colors and in a large variety of beautiful fancy mixtures. Also a beautiful assortment of Panama Suitings, Heningbone Cheviots, Crepe de Chines, Albrittons, Broadcloths, Etc.

Therefore we are exultantly well prepared to supply the wants of those who follow the dictates of fashion, and our prices are within the reach of all.

SHOOTING AFFAIR IN CRAW.

On Tuesday night Pat Rhody and Price Bromley became involved in a difficulty in the course of which Rhody fired five shots at Bromley, one ball cutting through his clothing on the left side. Rhody was arrested and lodged in jail.

RECTIFIERS SUED.

A large number of Louisville rectifiers have been sued in the State Fiscal Court of this county for \$2,500 each, for failing to pay the tax of 50 cents on each barrel of spirits rectified, as required by the act of the last Legislature.

REPRESENTATIVE SUED.

Mr. E. K. Rennaker, Representative from Harrison county, has been sued by Miss Beattie Whittaker, a pretty Harrison county school teacher, for \$25,000 damages for defamation of character. The suit is a great sensation at Cynthiana.

COMING TO THIS CITY.

Our young and handsome friend, Dr. L. T. Minish, will move his family to this city from Harvieland next week. He has rented one of Mr. W. H. Posey's cozy cottages on Todd street.

His office will be on St. Clair street, over the drug store of Dr. W. McKee Hardie.

Dr. Minish is a very fine physician and will be an acquisition to the medical fraternity of the city.

His wife is a pretty and stylish young lady, and one very well calculated to make herself and her husband popular members of society.

We welcome these good people to our city.

ELECTED PRESIDENT.

We are gratified to learn that at the State Convention of the Y. M. C. A., held at Owensboro last week, our friend and brother, Mr. John L. Amsden, of Versailles, was elected President. Mr. Amsden is an able and consecrated man, who has given largely of time and labor for the cause of Sunday-schools and Y. M. C. A. work.

RE-ELECTED.

At the meeting of Hardware Dealers of Kentucky, held in Louisville last week, Mr. John R. Sower, of this city, was unanimously re-elected Secretary of that body. A deserved compliment to a worthy young man.

What's the secret of happy, vigorous health? Simply keeping the bowels, the stomach, the liver and kidneys strong and active. Burdock Blood Bitters does it.

SOLD HIS FARM.

Mr. John Callery has sold his farm, located about a mile from the city limits, on the Versailles pike, containing 100 acres, to Mr. Pat O'Brien, of Woodford county, for \$5,000 cash.

This farm is admirably located for a dairy or market garden farm.

CUTTING SUNDAY MORNING.

A dance at the house of Joe Handy, on Wilikson street, Saturday night, which extended over until Sunday morning, wound up with a row, in which A. J. Douhitt cut Wm. Lockhart in the head, side and leg, neither wound proving serious.

All parties were arrested by Officers Brown and White.

MINISTERS HOLDING PRAYER-MEETINGS.

The Ministers Association of this city are holding daily prayer-meetings in the Pastor's study of the First Baptist Church, to pray that God would send down his Holy Spirit and cause a general revival of religion in this city. They earnestly desire the prayers of all Christians in this behalf.

VERY PLEASANT ENTERTAINMENT.

Capital Lodge, No. 6, I. O. O. F., gave an entertainment Monday night, consisting of a recitation and characterization of "David and Jonathan." It was a very pleasant affair. Mr. Newton Beers' rendering was very good, and was heartily enjoyed by the audience which completely filled the main hall of this order in Odd Fellows Temple.

SIDE-LIGHTS ON A PUBLIC OFFICE.

Henry A. Castle, Auditor of the Postoffice Department, taps strange veins of human nature in the conduct of his office. "Careless, Ignorant, and Defiant Postmasters," contributed by him to the March McClure's, is a collection of the queer flotsam caught in the web of the red tape. From a Texas town a courteous citizen sent this mild protest against the too strenuous manners of the "lady postmistress."

"We don't set up any claim that our manners are all they should be, but we'd like to be reasoned with and helped along. The postmistress here is a worthy woman, all right, but she certainly is rude and hasty. One day last week, the mayor being some flushed up and careless, refused to move his hat and bow on asking for the official mail, whereupon his hat was shot off and plumb ruined. There's another thing we don't think is fair. This postmistress won't let niggers and greasers come into the office under any consideration. We ain't over fond of niggers and greasers ourselves, but it is sure discommoding for the leading citizens to have to go to the postoffice personally to get their mail, just because this lady don't like to see anything but a gentleman. We don't like to appear fault-finding and pica-yunish where a lady is concerned, but this one I'm talking about is sure arbitrary and abrupt, and we'd like to have her toned down some."

APPOINTED CONSTABLE.

Mr. Zack Pulliam has been appointed Constable of the Bald Knob District, to succeed Mr. L. W. Shackelford, resigned.

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer clime, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those that use German Syrup. Trial bottle, 25c; regular size, 75c. At all druggists. 1 yr.

DISTRICT PRIMARY CALLED.

The Democratic District Committee of this Circuit Court District has called a primary election to nominate a candidate for Circuit Judge, to be held on Wednesday, April 5th.

Judge R. L. Stout is the only announced candidate so far.

The counties composing the district are Bourbon, Franklin, Scott and Woodford.

SUNDAY NIGHT'S FIRE.

An alarm from box 25, at 7:55 p. m., on Sunday, called the fire boys to a frame cottage on Church street, owned by Mr. Thos. Heffner. The house is not a very valuable one and the roof was badly damaged by the flames. The loss was covered by insurance.

The building was formerly used for and known as "Greenwood Seminary," but was moved to its present location.

THE FRANKLIN COUNTY BIBLE SOCIETY.

The 82d anniversary of the Franklin County Bible Society will be held in the Methodist Church to-morrow (Sunday) evening, February 26, at 7:30 o'clock. The Executive Committee is as follows: F. V. Gray, W. G. Simpson, Walter G. Chapman, Oscar Kenney. The Society's aim is to make the Holy Bible, without note or comment, accessible to all classes of people at the lowest rates. Its work is unsectarian. The benefactions of this society are not limited by any distinctions of property, of social position, of denominational ties or of race, but the chief responsibility resting upon the board is to see that to the poor the gospel is preached through the circulation of the Written Word.

SUGGESTION.

"Health Food and Health Cranks" is the leading articles in the March issue of Suggestion, the magazine of the New Psychology (Chicago); other articles relate to auto suggestion, psychic research, nature cure, drugless methods, suggestive therapeutics, hygiene, advanced thought, etc. This publication is of especial interest to those who believe that man has inherent psychic powers which if rightly used will banish worry, fear, disease, increase the powers of mind and pave the way for the enjoyment of health, happiness and success.

APPOINTED.

Miss Katie Mayhall, of Bridgeport (daughter of Mr. Charles Mayhall), has been appointed teacher at the Institute for Feeble-Minded Children, to succeed Miss Lillian Thomson (now Mrs. Scott Brown), resigned.

COLLINS HEIRS WIN.

The heirs of Mr. Harrison Collins, formerly of this county (of whom Dr. J. S. Collins and Mr. Z. T. Collins are two), have won a suit in the Arkansas Court of Appeals whereby they become owners of about 2,600 acres of fine land.

The matter has been in litigation for a number of years. The land lies near Little Rock, Ark.

LITTLE LAD HURT.

While playing soldier Master Henry Bowles, son of Mr. Claude Bowles, Auditor of the F. & C. Railway, was shot in the foot with an air gun, though not serious.
